Some questions:

1. What are the furniture which are you are refering to?
2. Are you giving back all the furniture that we have given to NHB?
3. What are the reasons for this?

Kindly give us the list of the furniture that NHB would like to return to us.

Khir's email is enclosed. I'm cc-ing this email to my brother and cousin in Singapore so that they are also in the loop.

My uncle Abdullah Bin Joffi's tel no is: 93202146 Pls contact him about this.

Thanks!

Best regards,
Hidayah

Salam Hidayah,

As you already know, when I started working for Taman Warisan before 2005, I was under the Malay Heritage Foundation or Yayasan Warisan Melayu.

In 2009/2010, a few of us from the Foundation was inducted into NHB under new leadership and a fresh team.

Currently, NHB is managing and operating the Centre and there will be major upgrading and renovation work to the museum and the Centre.

As such, they are reviewing all existing items in the Centre, the museum including all donated and loan items.

As the items in the Centre includes those furnitures in Gedung Kuning and in the Centre, NHB has asked me to check with the descendants of Hj Yusof in Gedung Kuning if they would like their items back.

I was informed by NHB that they would not want to keep the furnitures at the Centre when the Centre re-opens in 2012. At the moment, they have given me 3 weeks to find out from the family members.

I have given them the background to the situation as the items were donated to NHB before my time.

I have asked Khir for his contact on a separate email as I do not have any other contacts apart from yours and I recalled spoken to your pakchik Jufri before but did not have his contacts too.

Please let me know.

Best regards to you in U.K.

Khalid
