Dear Madam Masmunah & Mr Zulkarnine

It came to my attention that the content (first two paragraphs) of a page on the Mamanda website (http://mamanda.com.sg/index.php?option=com_content&view=article&id=47&Itemid=57) contains the **exact (word for word)** information taken from my website (<http://www.gedungkuning.sg/history/index.htm>). Please refer to screen shots attached.

Kindly acknowledge the source of the content (that the information is taken from my website). If you do not intend to do so, please remove the content from your website as this constitutes an infringement of copyright laws.

Thank you.

Warmest Regards,

Hidayah
