Dear Hidayah

I refer to your email of 5 July 2012.

2 We have looked into the matter. As the reason why the mango tree had to be cut had been addressed in our response to the article "Kesal pokok mangga 'bersejarah' ditebang" which was published in the Berita Harian on 30 June 2012, we will not be replying further to your queries in your email of 5 July 2012.

3 We thank you for your feedback.

Yours sincerely
