Dear Madam Faizah

We were surprised by Hidayah's last email. We do not know what was her objectives in adding this email to the minister, Dr Yacoob Ibrahim and Speaker of Parliament Mdm Halimah Yacob. Is it necessary? We extended the Olive Branch didn't we? This was the very first reason why we have stop communicating and engaging with her. She likes to throw weight of these people to us. We are simple people and do not agree with Hidayah's way of engaging with us. By now, I hope you can experience the feeling of how we were treated by her.

Our concerns to you was reinforced as based on Hidayah's last email. She confirms that you are aware that she send the email to Madam Rosa Daniel cced to the rest and even the press. That was a very strong message and endorsement and as NMP you gave. We concluded also that you endorsed her to include the minister and Speaker of Parliament to be part of this email list. My humble opinion is that you are putting yourself in difficult situation.

You are the Friends of the Museum, we hope you could hear us out. If we were to promote Gedung Kuning, how then if most of the articles on Gedung Kuning website is about:

1. Hj Yusoff, the family legals disputes and Hidayah Amin only. How about other historical facts? How about others whom have stayed at Gedung Kuning?
2. About time NHB or MHF should have an Official Gedung Kuning Website to educate the public a balance and factual about Gedung Kuning. Daily there are hundreds of school going children come to Gedung Kuning. There are foreign students learn about it. Imagine what kind of information we are feeding them with the current website.
3. NHB or MHF should have the rights to the domain name bearing Gedung Kuning as it is of National interest.
4. We are just an operator with limited resources. We follow whatever instructions and information given to us by higher authority. Thus. we are more willing to learn and accept any inputs.

Lastly, maybe we do not understand what do you mean by this statement in your second email, "...very sorry that my email has caused you unhappiness." But based on Hidayah's email you never apologise to us. Nevertheless if you did not apologise, then no worries, we forgave you. On our part we sincerely seek your apology if we have cause any unhappiness to you too.

It is a lesson for all of us, let's move on positively.

Thank you.

Kind regards
