Dear Encik Zhulkeflee

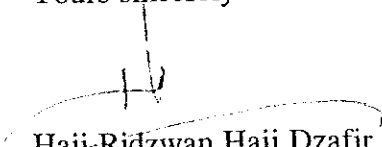

Thank you for your recent meeting with members of the Malay Heritage Foundation's Management Committee. We are grateful for your and your family's co-operation and support for the Malay Heritage Centre project.

I am also heartened to learn of your offer to donate the furniture, fittings and artifacts in Gedung Kuning to the Centre. We are honoured and delighted to accept your contributions. The success of the Malay Heritage Centre depends largely on the co-operation and support of the community in its efforts and activities. You have shown a wonderful example.

Representatives from the NHB and the Centre will be contacting you soon on the arrangements of the transfer of the items. The donated items will be brought to the collection of the National Heritage Board and will receive the same care and attention as other donated items in its collection. Due acknowledgement would be given when the artifacts are displayed in the future.

Once again, allow me to offer my sincere thanks and appreciation for your and your family's generosity and support for the Malay Heritage Centre project. We look forward to your continued support.

Yours sincerely

Haji Ridzwan Haji Dzafir
Chairman
Malay Heritage Foundation
